

## Curry Apartments Computer Network Request Form

By signing this form, you acknowledge that you have had an opportunity to read and do agree to abide by the Acceptable Use Policy of East Texas DSL, LLC governing all network access provided to you as a tenant of Curry Apartments.

Tenants are allowed to connect up to three unique devices to the wireless network. The MAC addresses (unique identifiers) of the devices which you would like to connect to the network are:

MAC address

Device description or type

_____	_____
_____	_____
_____	_____

If you have difficulty identifying the MAC address of any device, please refer to your documentation for that device or operating system for help in determining the MAC address (also known as the “physical address”) for the device. Incorrect MAC addresses on this form will result in that device being unable to connect to the network. Once this form is completed and signed, please return via U. S. Mail to:
